A Level Subject Guides

A Level Subject Guides
A level subject guides. Below is a large list of subjects. They are split into ones available to the full A Levels (4 units, some 2 units), ones only available at AS Level (3 units or 1 unit) and those which are applied A Levels. If your subject is missing, please add it to the list and feel free to create guides or add more to those we already have.

A level subject guides - The Student Room
A-Level study is very different from secondary school studies. In O-level you studied a large group of subjects but now you will be studying a small number of subjects in depth and it requires you to read widely. Work patterns will, therefore, be different and inevitably much more demanding. You should realise that success in the

University subject guides - what is the best option for you?
AS-Levels were generally taken over two years, and in a subject the pupil was not studying at A-Level. Each AS level contained half the content of an A-Level, and at the same level of difficulty. Initially, a student might study three subjects at A-Level and one at AS-Level, or often even four subjects at A-Level.
