English Grammar. English grammar is the key to understanding and mastering English. English grammar is different from Russian grammar. Some things are easier; for example, English verb conjugation is much simpler.

**Useful English: Grammar**
Americanist phonetic notation, also known as the North American Phonetic Alphabet or NAPA, is a system of phonetic notation originally developed by European and American anthropologists and language scientists (many of whom were students of Neogrammarians) for the phonetic and phonemic transcription of indigenous languages of the Americas and for languages of Europe.
