Home - World Wide Knit in Public Day
In order to actually obtain the world record, Bond needed to knit at least 10 stitches and 10 rows of yarn with her needles. The yarn she selected for the feat was made of 35 pounds of machine knitted, hand-twisted cotton material. “Giant knitting is an opportunity to used recycled cloth to make new things,” she says.

Elizabeth "Betsy" Bond Broke the Guinness World Record ...
Did you know that the way we learn things in school is different around the world? Here are 20 fascinating facts about education around the world.

20 Fascinating Facts About Education Around The World ...
Continental knitting, also called German knitting, European knitting, or left-hand knitting, is the process of knitting by holding the yarn in the hand opposite the working needle (i.e. the left hand if the knitter is right-handed). However, use of the term 'left-hand knitting' is discouraged by left-handed knitters because it leads to misunderstandings.

Knitting Know-How | The Knitting Site
Spool knitting, corking, French knitting or tomboy knitting is a form of knitting that uses a spool with a number of nails around the rim to produce a narrow tube of fabric, similar to i-cord. Spool knitting is a traditional way to teach children the basic principles of knitting. Spool knitters typically have four or five pegs (or brass nails), although the number can range from sixteen to more...
