Strategies for Leading Successful Change Initiatives ...
This article is a critique of, “agile thinking,” with examples provided for a strategic initiative at Corning: Agile Business Innovation. In present use, agile thinking means to embrace the “agile values” declared by agile software evangelists, those values being things like flexibility, speed, customer responsiveness, change, and good engineering.

Examples of Strategic Initiatives | Leading Strategic ...
For each of the stages in a change process, there is a corresponding pitfall. 1. Not establishing a great enough sense of urgency. Half of all change efforts fail at the start. When is the urgency ...

Executive Summary. Reprint: R1211B. The old ways of setting and implementing strategy are failing us, writes the author of Leading Change, in part because we can no longer keep up with the pace of ...

Accelerate! - Harvard Business Review
Each axis is necessary. If top-down initiatives are lacking or faulty, managers will be left to guess where to aim new skills or activities. If bottom-up involvement is absent, motivation will falter, momentum will flag, opportunities for improvement will be overlooked, and the new skills and behavior will not be built.

"Change is the only constant."– Heraclitus, Greek philosopher. What was true more than 2,000 years ago is just as true today. We live in a world where "business as usual" is change. New initiatives, project-based working, technology improvements, staying ahead of the competition – these things come together to drive ongoing changes to the way we work.
