Tests reviewed in the Twentieth Mental Measurements ... The Pilgrim's Progress from This World, to That Which Is to Come is a 1678 Christian allegory written by John Bunyan. It is regarded as one of the most significant works of religious English literature, has been translated into more than 200 languages, and has never been out of print. It has also been cited as the first novel written in English. Bunyan began his work while in the Bedfordshire ...

Neuroanatomy. Historically, the executive functions have been seen as regulated by the prefrontal regions of the frontal lobes, but it is still a matter of ongoing debate if that really is the case. Even though articles on prefrontal lobe lesions commonly refer to disturbances of executive functions and vice versa, a review found indications for the sensitivity but not for the specificity of ...

This report finds that, despite being the global leaders in open data today, these governments still have a long way to go to move from promise to progress on open data implementation and impact. For the open government data movement to not only survive but thrive, governments need to radically change their approach to open data and focus their efforts on data governance.
