Speaking Of Death What The Bereaved Really Need

Speaking Of Death What The
According to most studies, people’s number one fear is public speaking. Number two is death. Death is number two. Does that seem right? That means to the average person, if you have to go to a funeral, you’re better off in the casket than doing the eulogy.

Do People Really Fear Public Speaking More Than Death ...
Whether it's a presentation at work, a speech for your brother's wedding, or the opening night of a big performance, most people have experienced "stage fright" to some degree. This fear is so serious that many people rank public speaking higher than death when surveyed about their greatest fears. How could one possibly fear public speaking more than death itself?
